

What can I do to help prevent Sexual Vulnerability?

www.areyouok.co.uk

Behaviours I need to be aware of...

Person drinking alone

Targeting someone

Plying with drink

Unwanted attention

Conflicting body language

Trust my gut instinct...

Do they look harrassed, drunk or upset?

Should I stop serving them?

Should I challenge them?

Who do they want me to contact? Who is best to contact?

Who I'm going to contact...
