

LGBT+ DOMESTIC ABUSE SUPPORT SERVICE

SAFER RAINBOW PROJECT

At Intercom Trust we offer a confidential safe space for you to talk about your experiences and learn what options are available to you.

We offer emotional and practical support to help you consider informed choices.

If you are worried that getting help might make things worse, we are a secure and confidential service that will always put your safety and wellbeing first.

You do not have to face this alone, we're here to support you.
